HEAU Mission

Improve the health of Utahns by promoting the advancement of the health education profession and the employment of health educators in the public and private sector.

Health Education

Association of Utah

HEAU: Who We Are

- 501(c)(3) Non-Profit
- Student and Professional Development Organization
- Current Membership
 - 98 Professionals
 - 183 Students

History of HEAU

- The first Annual Education Conference of HEAU was held June 27-28, 1984 at the Homestead in Midway, Utah.
 - Over 125 people registered, far exceeding expectations, with many of the sessions filled to standing room only.
- The Health Education Association of Utah has become one of the outstanding professional organizations in the State.

HEAU 2007-2008 Goals

- Increase professional & student membership
- Electronically disseminate health-related activities, information, & opportunities to members
- Strengthen membership involvement in HEAU workshops, conferences, and activities
- Create members awareness and involvement in current health-related legislative issues

HEAU 2007-2008 Goals Cont.

- Implement a fundraising committee
- Support and grow the mentorship program
- Increase community outreach activities
- Build and maintain a historical account of HEAU
- Create more opportunities for members to receive CHES credits
